Rp. 66.000.000 (inc. VAT)

PRODUCT DETAILS

This 20ft container office is one of our most [popular shipping container conversions](#) for sale. It is [based on a standard Used 20ft shipping container](#) and has been converted by our specialist in-house team for use as a office container 20ft, meeting room office or mess room.

One long side of a standard 20ft used container has been fully removed and fitted with Special Steel Door and Outdoor Air Conditioner

Frame Galvalume and insulated with 50mm thick Glasswool insulation to the walls and to the ceiling, boarded out with 4.0mm Polypaper – ready to be skimmed or finished depending on choice.

Electrically the unit is equipped with flush fitted electrics and wiring in keeping with the planned high specification and the clean lines of the skim finish. The electrical specification includes 2 TL Lamp lights, outdoor waterproof lamp, three 16A sockets with mounting socket 16A- 1 Phase and 3 Free Outlet with 1 Set Outlet Line Data & Phone

This container Office Container is available for sale and delivery throughout the Indonesia.
